INFORMED CONSENT AND LIABILITY RELEASE

RYLA is conducting its **Rotary Youth Leadership Academy (RYLA)**, District 7670 at **Lake Logan Retreat Center**, Canton, NC on Thursday, April 10 - Sunday, April 13, 2025. Lake Logan Retreat Center is located in a natural mountainous terrain. While attention to safety is a primary concern, there are inherent risks while engaging in recreational activities in a natural setting. As with any adventure activity, there is potential for injury. RYLA and Lake Logan Retreat Center require that all participants sign this informed consent and liability release indicating that they understand potential risks. Parents or Guardians must co-sign for all participants.

1. I understand that adventure activities supervised by RYLA advisors and the retreat center staff (including instructors, organizers, and facilitators) may include outdoor and indoor climbing facilities, high swing, low ropes courses, hiking and other challenging activities. Self-guided recreational activities may include hiking, sports activities and activities designated by a RYLA advisor or a retreat staff member. During any of these activities (including activities led by RYLA Coaches and the retreat center staff and individual recreation activities) there may be contact with plants, animals or insects that could create hazards such as stings, allergies and associated diseases. During adventure activities risks include the potential for slips, falls, rope burns, pinches, scrapes, twists and jolts that could result in scratches, bruises, sprains, lacerations, fractures, concussions or even more severe life-threatening hazards. There will be additional introspective and skill building sessions for the participants to self-reflect as part of a leadership development program.

2. I agree that I am solely responsible for my own participation and for my own physical, mental and emotional well-being. I am aware and understand that all my program activities are strictly voluntary; and it is my own choice to participate in each activity to whatever degree I deem appropriate after due consideration of my own physical health, physical abilities and medical condition. I assume the risk of my choice to engage in any such activities.

3. I acknowledge that my participation in such activities, both self-guided and led by RYLA Coaches and/or retreat staff members, involves known and unanticipated risks which could result in personal injury, permanent disability or even death. I understand that such risks simply cannot be eliminated due to the environment and/or nature of the adventure activities.

4. I willingly and knowingly accept and assume all the risks existing in the program's activities, including any mental, emotional or physical injury including permanent disability or death that may occur during or after participating in any aspect of this program. I hereby agree to hold RYLA and the retreat center, and its and their officers, directors, employees, staff and agents, and other participants in the program, ("Released Parties") harmless for any and all liabilities, including but not limited to personal injury, permanent disability, death or loss or damage to personal property, or other claims arising out of my participation in the program, to the fullest extent permitted by law.
